MEMORANDUM FOR: Director of Joint Computer Support  
SUBJECT : Reprogramming of FY 1974 DD/M&S  
ADP Resources

With the release of \$376,846 from OJCS's Batch Processing reserve to the DD/M&S and the experience of ten months summary data from the ADP Resource Allocation System, I have decided on a final reprogramming of this Directorate's FY 74 ADP resources. The reprogramming desired is listed in the attachments.
